President's Message from Judy

It doesn't seem possible that this brochure will be the final one for 2017. I guess, as the saying goes, "time flies when you are having fun" Speaking of having fun, many of you have shared with me how much you enjoy our day trips. One thing to remember when you are on a day trip is to be flexible. When a large group arrives for a tour or lunch it sometimes puts a strain on those providing these services. Just remember that we are retired and to take time to enjoy the day. Everyone will probably come home tired but with **good** memories of a great day.

If you have questions or suggestions for CEA-R, contact me at 614.866.6333 or by e-mail at jvalentine59@aol.com.

These true stories bear eyewitness accounts of the lives of civilians during this historical time. A number of these children emigrated to the United States and six of them settled in Columbus, Ohio contributing to the diversity of our community.

Mrs. Martin was born in 1940 at the beginning of World WAR II in Langerfeld, Germany. She came to the United States in 1964 for a post-graduate traineeship in physical therapy. She met and married Dr. Gerhard Martin, from Danske, Germany. They had four children and made their home in Columbus.

You will not only hear many of your favorite Christmas and Holiday music, but tunes from Broadway and Movie shows, Pop Jazz, Swing and Classical, ... all melded with class, warmth, humor and professional perfection. With this sense of musical perfection, Shoji searched long and hard for the right professional musicians to form his band. It is with great pride and affection that he introduces each and every member, all of whom have one or more degrees in music.

Their repertoire includes everything from country to classic, played with all the subtlety or verve, as the music demands, of a gifted musical organization. Their creativity ranges from dancing with twirling cowboy ropes to lively polkas to dancing the Sugar Plum Fairy on toe during a special Christmas performance. Since the days of the Old Testament, song has been an expression of joy, uplifting the spirit.

Tickets will be mailed to you at the address on your check unless otherwise directed.

United Negro College Fund

CEA-R recently donated \$100 to the Columbus City Schools UNCF-Workplace Campaign Drive. Below is the thank you note from CEA dated 3/1/17.

Dear CEA-R,

New Project

CEA-R will be participating in the *Donation Drive for Dignity* this year. To do this we will be collecting feminine hygiene products at our "in town meetings." These products will then be given to Columbus City School Nurses to distribute to middle and high school girls.

New for CEA-R

Moler Market

At most of CEA-R events, a 50/50 drawing is held. Half of the proceeds goes to the winner of the drawing and half goes to the charity that CEA-R has chosen. The chosen charity runs for two years and then a new charity is selected for the next two years. The membership is asked to submit proposals for these charities with the stipulation that the charity must in some way benefit children of the Columbus City Schools. Your CEA-R Board has selected the **Moler Market** as the 50/50 charity for the next two years. The principal at Moler has instigated a program to promote parent participation in their child's education and in the various areas in the school. Below is a note describing this program.

"The Moler Market is a small space in our school that holds shampoo, conditioners, diapers, wipes, feminine hygiene products, laundry products, and a variety of other household products that are not allowed to be purchased with food stamps. Parents are able to earn points by volunteering in the building, filling out emergency cards, turning in any other needed documents, visiting their child's classroom, attending Open House, conferences, etc. The points are used as money to purchase the above mentioned items. The Market is open two times per week for parents to shop and open at all school functions."

Lee A. DuMond, Principal of Moler Elementary School

A New CEA-R Web Site

Have you ever misplaced your CEA-R Brochure and you either want to sign up for an event or you need to know the details of an event that you have signed up for? Well, we have a wonderful web site for CEA-R that not only keeps members up-to-date on pertinent information of interest to members but also has the complete brochure on line including the registration form. This is a wonderful resource in so many ways.

Mark Lensenmayer is our web master and has informed us that we will soon have a new web address. Below is a note from Mark:

"The CEA-R website will be moving soon to a new format and a new location. The new location will be cearetired.com. Move will be made by July 4.This new website will make it MUCH easier to post the brochure and add information."
