### **President's Message from Judy**

Happy 2023 to one and all. The planning committee has been busy making plans for the new year. We are still planning one event for each month with the exception of February when two events are planned.

We are hoping as you read the brochure, numerous events will catch your eye and you will sign up immediately. Several events have a maximum number so it is important that you get your reservation in early to avoid being on the waiting list and possibly miss the event.

FYI we are still looking for a director for the NOTES. Please let me know if you would like to help out in this way.

Just a reminder, we are still collecting toiletry items which are given to God's Hygiene for the homeless. You can give them Judy Valentine at any event.

## BUS PICK UP LOCATIONS

When we take a motor coach as our means of transportation to various activities, we usually use two pick-up locations; basically one northwest and one east. It depends on the direction of the trip. The location of the pick-up for each activity will be stated in the respective descriptions. At the present time we are using the following pickup locations.

**Note:** *On each activity, the arrival times are approximate.*

**EAST: Taylor Square Shopping Center on Rt. 256 North.** Park in the back of the Fifth Third Bank at 2883 Taylor Rd. You will be in front of Marshall's & JoAnn Fabrics. Directions from I-70 East: Travel east on I-70 to exit 112B. The exit sign says Reynoldsburg West. (The exit is west when you start but you will enter on R. 256). Turn right (North) to the first light (0.2 mi.). Turn left on Taylor Road. You are there.

**NORTHWEST: Olentangy Plaza**  
**5005 Olentangy River Rd** Rte. 315 North to Bethel Rd exit, turn left (west) onto Bethel Rd. Go to the 2<sup>nd</sup> light and turn left into the parking area of the Olentangy Plaza. Park in front of the stores just west of MicroCenter near the access road. **Do not park in front of the MicroCenter.**

**The Westcott House**, the product of arguably the most important architect of the modern era, was designed in 1906 and built in 1908. In the early 1940's the interior alterations—the conversion of the open floor plan into a multi-unit apartment building - changed the architecture so significantly that it no longer reflected the design intent of its architect.

Due to these drastic alterations, the Westcott House remained an undiscovered relic for many years - **a lost Wright artifact**. Through the cooperative efforts of the **Frank Lloyd Building Conservancy** and **The Westcott House Foundation**, today the Westcott House is an important rediscovery, a notable, newly-unearthed and revitalized **example of Wright's legacy**.

Maps will be furnished showing how to go from the Westcott House to Young's Dairy
