

## President's Message from Judy

A special thank you to everyone on the Executive Board for the hard work they have done planning our 2024 events. Also a thank you to our members who have attended the events and made them a success.

Once again a reminder to **PLEASE send your reservations in on time**, that's why there are deadlines. It makes Jeanne's job a lot easier if you fill out your reservation form completely. She shouldn't have to be making calls to check your meal choice or pick-up location for a trip. Be sure to write a separate check for each event you are attending.

I want to wish each of you a Blessed Holiday Season. Should you have any questions or suggestions for programs feel free to contact Judy Valentine at (614) 866-6333 or by email at [jvalentine59@aol.com](mailto:jvalentine59@aol.com).

Come and experience a tour given by Mabel Wagnalls, as portrayed by Carol Gaal. This Tudor-Gothic building was dedicated in 1925 and includes a library, theater, banquet hall, kitchen, and two tower rooms. Mabel generously endowed the building to share what was so important to her family: the influence of the written word and culture, and to provide a community center for Lithopolis. Come and view many of her family's treasures including their personal art collection and first edition books. Immediately following the tour, we will enjoy a lunch in the loft as we dine on Wagnalls' personal china and linens. I hope you will join us as history comes alive on this tour as Wagnalls celebrates their 100<sup>th</sup> anniversary.

Would you like to learn about bees and how we can help our bees in Central Ohio? Claudia Khourey-Bowers is the Vice President of the Central Ohio Beekeepers Association and Secretary of its grant-making foundation, the Central Ohio Beekeepers Charitable Foundation.

Claudia began keeping bees in 2017 after attending “bee school” with her husband Bob. Once the basics of keeping bees and doing inspections was mastered the next step was to make the most of her suburban yard to provide food for those 50,000 bees. She designed a garden to attract and feed honey bees and native pollinators all season long. Claudia will share her expertise with us to create gardens that will benefit our bees and things we can do to help our bee population.

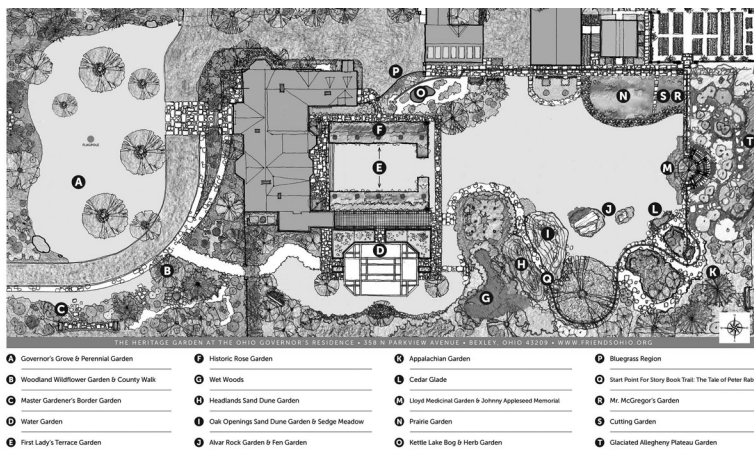

Claudia moved to Gahanna in 2016 where her Grandmother’s iris and peony plants still bloom. Claudia will bring local raw honey and children’s and adult books for purchase.
